1

God build Your house, Your church!  
We don't want to strive/labor/toil in vain!  
Do something with whatever it is that You're invested in us to do!

2

God give us the capacity to preach Your Word.  
We need an impartation of Your Word like never before!  
Let our services be graced with signs, wonders and miracles!  
Bring the people that need signs, wonders and miracles.  
Let there be a manifestation of Your power in our services!

3

God be with me, so that Your anointing can transform me to be a vessel that You can use to impact my generation and generations to come! Help me to overcome every challenge against my life, my family, and Your Church!  
Let Your presence and connection with me cause me to return with power demonstrating Your Word!

4

God bring us through the complete process, whereby what we are about is known where we have not been yet.  
Let the fame/awesomeness of Your power be so great that the glory of it expands far beyond where we are!  
Let lives be touched and transformed as people connect to the surge of Your power! Thank you for overcoming grace that propels us into this dynamic dimension that it is known: God is doing something! God let Your power break forth like wild fire in this house, community, and city!

5

We declare by the authority of God, any agent dispatched by the enemy, the fire of God pursue them! Judgement against every agent of darkness and cause them to be subdued.  
Those that can repent, may they repent!
